Fill in the cloze passage with the suitable comparative.

My family and I went on a holiday last summer, but it was a complete disaster! When we reached the hotel, we realised that the hotel room was actually **(1)** \_\_\_\_\_ (tiny) than the one shown in the brochure. The weather was terrible too. It was supposed to be summer, but the temperature was **(2)** \_\_\_\_\_ (cold) than in Singapore.

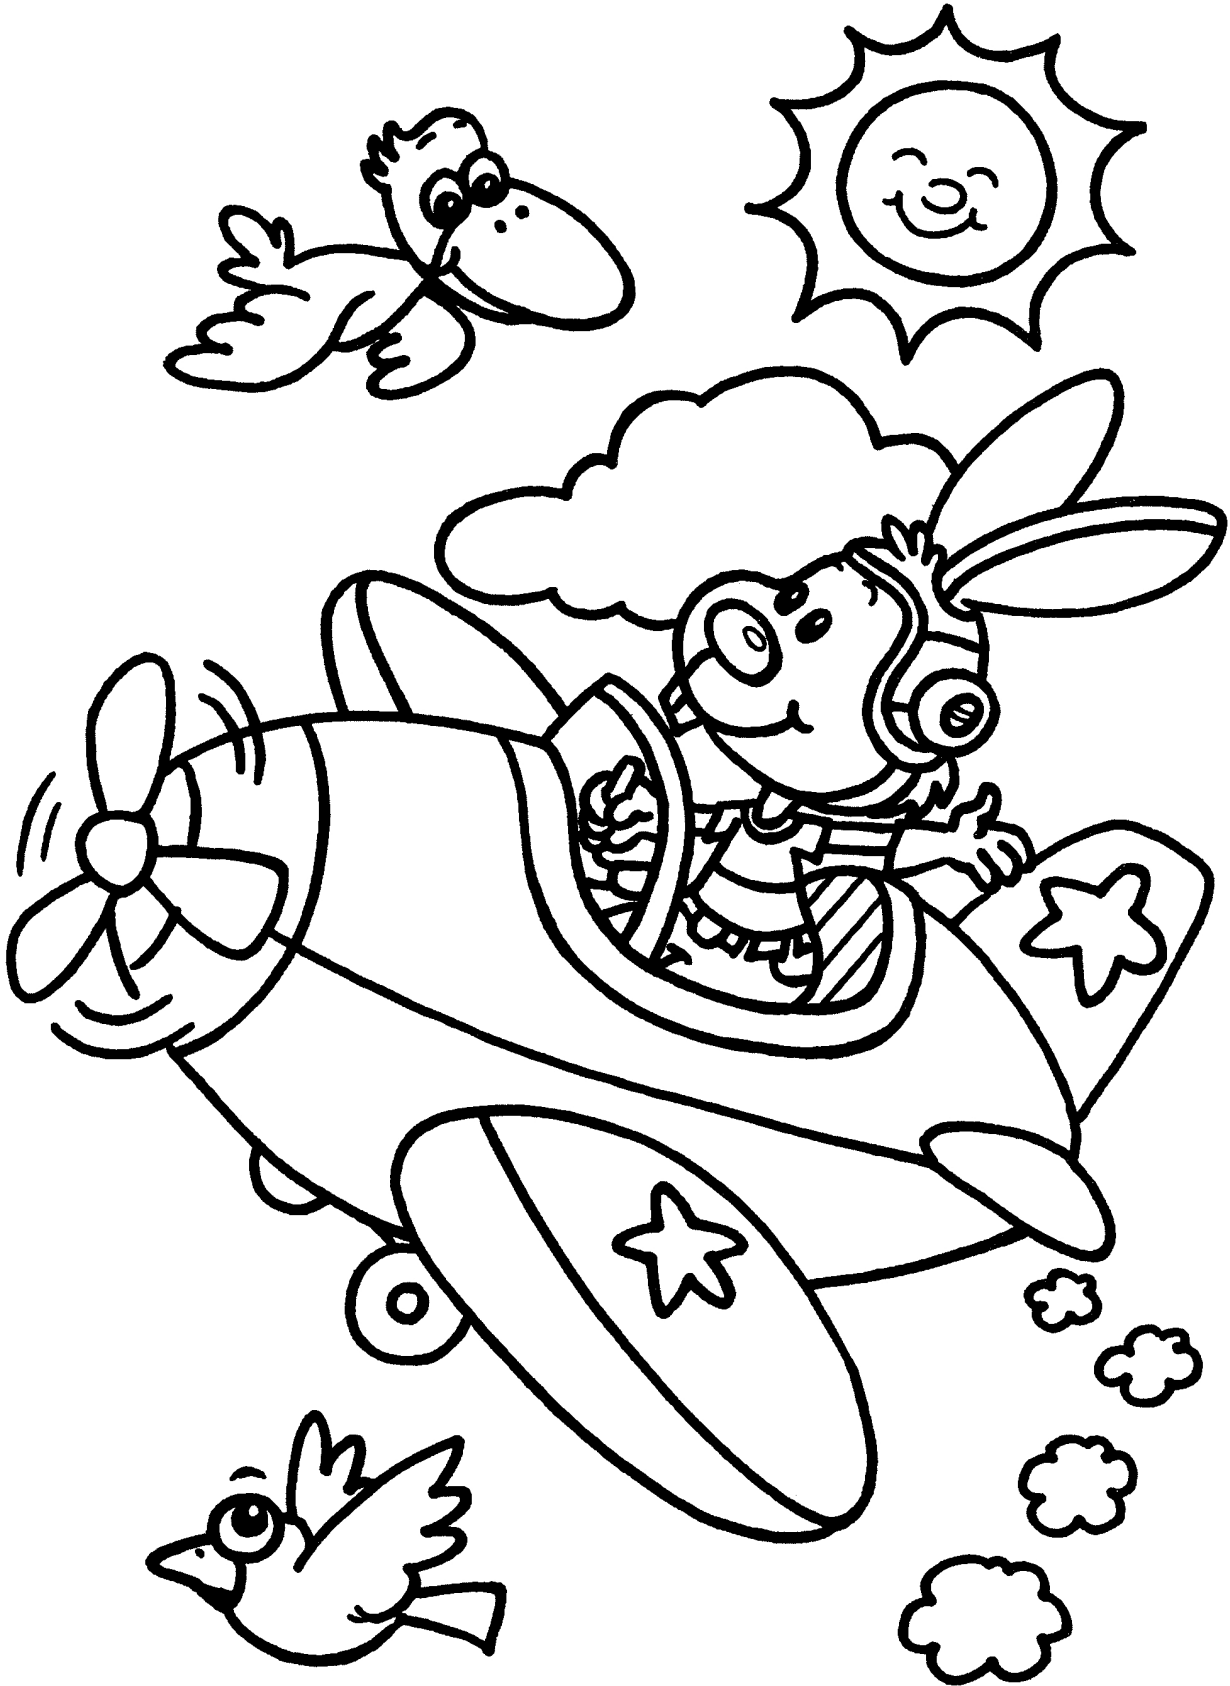

Then, we went to the beach beside the hotel. It was **(3)** \_\_\_\_\_ (crowded) than East Coast Beach and there were so much litter as well. The beaches back in Singapore are certainly **(4)** \_\_\_\_\_ (clean) than this one. Alongside the beach, there was a food court. Although the food there was **(5)** \_\_\_\_\_ (cheap), it did not look appetising.

Then, we went shopping at the nearby mall and I decided to shop for some toys in a big department store. I saw a toy that was **(6)** \_\_\_\_\_ (cute) than the one I had at home. It was also **(7)** \_\_\_\_\_ (expensive) than my toy train. I reached out to take it, but it fell off the shelf and broke into smithereens.

To make matters worse, I lost my favourite sunglasses and was really miserable. This experience was definitely **(8)** \_\_\_\_\_ (horrible) than my previous trip!
